

# Are You a Business Owner? How Does Free Marketing Sound?

## Become a Buy Miami Business Today

Buy Miami is the official marketing campaign of the City of Miami that encourages residents and visitors to shop and find great values at local businesses.

Becoming a Buy Miami business is free and easy! All we ask is that you:

### 1 Offer a Good Deal

---

We'll create a personalized coupon with your offer and promote your business! Just send us a good value, something that has the potential to generate new customers and increase your exposure to the community and visitors alike. E-mail us at [info@buymiami.biz](mailto:info@buymiami.biz).

### 2 Give Us Feedback

---

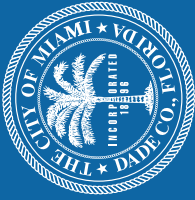

Just report back to us on the last day of each month with how many Buy Miami coupons have been redeemed. Giving us this feedback will enable both of us to know which offers are working and which ones are not.

### 3 Be a City of Miami Business

---

It is a requirement that your business be located in the City of Miami boundaries. So don't miss out on this free marketing opportunity.
